RE: License Application

Dear Mr. Pickett:

Please be advised that I have carefully reviewed and considered your application for an insurance producer's insurance license and wish to advise that due to the nature of the criminal procedures against you in the State of Oklahoma resulting in you being placed on probation, **I cannot authorize issuance of your privilege license due to the fact your probation period is yet to be completed.**

Pursuant to Miss. Code Ann. § 83-17-221, you are entitled to a formal hearing before this Department regarding your application for a privilege license. Please notify this Department, within ten (10) days, if you wish to proceed with a formal hearing.

In the alternative, you may withdraw your application for privilege license by service of a **written request** to this Department. Please be advised that if you choose not to withdraw your application thus resulting in a denial of your license, there will be a reporting made to the NAIC indicating that you were involved in an administrative action regarding your license.

Please feel free to contact me, if you have any questions regarding this matter and your written response should be directed to my attention.

Respectfully,

MIKE CHANEY  
 COMMISSIONER OF INSURANCE
