***Re: Denial of Application for Temporary Industrial Life and Health License***

Dear Mr. Davis:

Please be advised that the Mississippi Department of Insurance has carefully reviewed and considered your application for a **Temporary Industrial Life and Health insurance producer's license** in the State of Mississippi. The Department wishes to advise you that your application has been **DENIED**.

As you are aware, the Department is unable to authorize the issuance of your license due to the fact that you were placed on probation until November 2009 on the charge of Use of a Communication Facility in the Possession with Intent to Distribute Cocaine Base and Marijuana in violation of 21 U.S.C 843(b). By correspondence dated, July 13, 2009, the Department informed you of the option of withdrawing your application for a privilege license in response to the foregoing. By way of information, failure to advise us as to whether or not you wish to withdraw your application will result in a reporting being made to the NAIC indicating same. Said correspondence is attached hereto as **Exhibit "A"**.

If you have any questions or wish to speak with someone in our office, please feel free to contact me by telephone at (601) 359-3577.

Sincerely,

A handwritten signature in black ink, appearing to read "Christina Kelsey", written over a horizontal line.
