APPENDIX “A”

**NOTICE OF PROTECTION PROVIDED BY
MISSISSIPPI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Mississippi Life and Health Insurance Guaranty Association (the “Association”) and the protection it provides for policyholders. This safety net was created by Mississippi law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurer becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Mississippi law, with funding from assessments paid by other insurance companies.

The maximum amount of protection with respect to any one (1) life, regardless of the number of policies or contracts, is:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in net cash surrender and net cash withdrawal values

Health Insurance

- \$500,000 in basic hospital, medical and surgical or major medical benefits
- \$300,000 in disability benefits
- \$100,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$100,000 in net cash surrender and net cash withdrawal values

The Association may not cover this policy. If coverage is provided, it will be subject to substantial limitations and exclusions, and require continued residency in Mississippi. You should not rely on coverage by the Association when selecting an insurer.

To learn more about the above protections, limitations and exclusions, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mslifeqa.org, or contact:
