

# *Happy 4th of July!*

---

"We will soon be celebrating the birth of our nation, on July the 4th. When our founding fathers began this country, over 240 years ago, the United States has continued to grow as a strong and diverse nation. It is a time to salute our country, and the freedoms we enjoy, earned for us by patriots protecting our lives and liberty. As you celebrate the Fourth of July with traditional family barbeques and fireworks, I urge you to do so safely and take a moment during your celebration to pause and say thanks for those who earned, and those who continue to protect our freedom and our great country.

I wish you all a safe and Happy Fourth of July."
