## **Memorial Day - May 29, 2017**

Memorial Day is a Federal Holiday to honor those who gave their lives in defense of this country. May 29th is Memorial Day for 2017. To those brave men and women of our nation's military who paid the ultimate price when protecting the freedoms of our nation, we salute you this Memorial Day. We will not take for granted the freedoms you fought to preserve. We stand beside those you left behind to honor your courage and your sacrifice on this and every day. A grateful nation and I thank you for your service to God and to this country.
