**SPECIAL STATE AND LOCAL INSPECTOR PROGRAM
(Operational Procedures)**

The Special State/Local Inspector Program is authorized by the MS Fire Prevention Code, Section 45-11-105(1) and is designed to assist the State Fire Marshal's Office with inspections of all buildings owned by the State or State Agencies located in Municipalities and Counties in the State of Mississippi. It is a voluntary program of participation on the part of City, County and State Agencies.

For an individual to be appointed as a Special State/Local Inspector they are required to be a member of a paid Fire Department or State Agency. The applicant is to have experience and training, which includes the inspection of buildings and certifications regarding fire code enforcement and plan review. Other individuals may be appointed subject to training, certification and/or education approved by the State Chief Deputy Fire Marshal. Special State/Local Inspectors are not entitled to receive compensation (monetary) from the State Fire Marshal's Office who performs inspection duties within the scope of their official employment with a City, County or State Agency.

1. Appointments are made based on applicants meeting the requirements as set forth in the rules and regulations of the MS Fire Prevention Code at the discretion of the State Chief Deputy Fire Marshal.
2. Appointments may be terminated by the State Chief Deputy Fire Marshal or the Agency appointed upon ten-day written notice by either party.
3. Inspections will be completed either on forms used by the Local Department for whom the Special State/Local Inspector is employed or on forms provided by the State Fire Marshal's Office. Copies of all inspections will be forwarded to the ATTN: Robert Pickering, State Fire Marshal's Office, P. O. Box 79, Jackson, MS 39205.
4. All inspections conducted by Special State/Local Inspectors are to be kept on file with a Quarterly Report submitted to the State Fire Marshal's Office unless there is a life safety concern.
5. The State Fire Marshal's Office will be available to assist with inspections on all applicable buildings as requested by Special State/Local Inspectors.
6. The State Chief Deputy Fire Marshal will be available to assist in resolving problems relating to code enforcement issues.
7. Appeals filed by Complainants will be heard by the State Board of Adjustment and Appeals if the State Chief Deputy Fire Marshal cannot resolve the conflict.
8. Special State/Local Inspectors appointed will be required to attend training programs offered by the State Fire Marshal's Office.
